The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for City of Foley Police Department Community Project in fiscal year 2024. The entity to receive funding for this project is City of Foley Police Department, located at 407 East Laurel Avenue Foley, AL 36536. The funding would be used for body scanners, virtual training simulators and seven police cruisers. The project is an appropriate use of taxpayer funds because it will provide full body scanners for security purposes, virtual training simulators to help train police and correctional officers. These funds will also help the City Foley Police Department with the purchase of seven police cruisers to offset the current fleet shortages.

The project has a Federal nexus because the funding provided is for purposes authorized by section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. §10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jerry L. Carl  
Member of Congress
